UBER HUBER ISSUE 118

Dear ,

I would like to wish you and your family a Happy New Year and all the best for 2019! We hardly had a chance to draw breath and Chinese New Year is upon us in less than a month's time. We will offer [a variety of top quality beef and pork thinly sliced](#) for the hotpot. [Do check it out here for our CNY menu.](#) We are also bringing back the popular Bak Kwa sausage which we debuted last year.

I met Stephanie from Hill Farms last year and she showed me a range of award winning mustards that their company in Tasmania produces. I am happy that we started importing their mustards which [are 100% natural.](#) I recommend the delicious horseradish mustard with beef and the pub mustard with sausages!

Excite your appetite!
