Dear ,

Happy 2020!

I hope the year has been going great for you so far. We are soon going to celebrate Chinese New Year next week when a lot of us will be having reunion meals over hotpot. Our Chinese New Year hotpot items are available online. Orders close on Monday 20th January for the collection days between 21st and 24th January so do hurry to get your orders in. For collection from 28th January onward, orders close the day before collection day at 12 noon.

Huber's Butchery has been awarded gold placing in the Best Butcher category and bronze in the Best Gourmet & International Food Store in the recently-concluded Expat Living Awards 2020. Thank you for your votes and continued support as we strive to improve all the time.

Huber's Bistro will be launching a new steak menu at the end of the month. You can expect grass-fed Wagyu sirloin steaks and interesting cuts like the Wagyu spider steak. Do look out for it!

Here's wishing all of you in advance Happy Lunar New Year. May the Year of the Rat bring you happiness, good health and success!
