

WHAT'S AT STEAK

“Cow-nt” on these recommendations for decent steaks without busting the budget.

There are good steaks to be had at wallet-friendly prices. While there is a difference in quality between the premium cuts used at fancy restaurants and cheaper cuts used at regular joints, the cost savings will more than make up for this gap. Here are our picks:

Huber's Bistro

Sometimes you need to go to the source to get the best and freshest offerings. Apart from being one of Singapore's best-known butcher shops, Huber's also has a bistro where you can try a US Prime Sirloin Steak or an Australian Angus Fillet Steak, both at just \$28 each (for a 220g portion).

For those who want to try a different cut of steak, you can also try the Angus Sirloin Steak. www.themarketgrill.com.sg
