UBER HUBER ISSUE 135

Greetings!

We are happy and excited to move into Phase 2 of the re-opening. Huber's Bistro will be open again from Friday 19<sup>th</sup> June, albeit with reduced capacity, to serve you with our heartwarming dishes. I know our bistro staff have missed many of our regulars and are looking forward to make your dining experience with us a pleasurable one. Sadly, as per the government's advisory, our playground must remain closed till further notice.

The butchery will continue to be open daily from 9.30 am – 7.00 pm. We are reviewing the new measures and monitoring the situation to see when we can resume certain services like vacuum packing and cold cut sampling.

We have been working to help Majulah Movement provide meals to our migrant friends and healthcare workers during this difficult period. These people have worked hard for this country and deserve some appreciation from us. You can learn more about this cause at [www.majulahmovement.com](http://www.majulahmovement.com). I hope you can support to donate a meal or treat pack. Thank you for your kind generosity.

I would like wish everyone a happy and safe Phase 2.

*Excite your appetite!*
